### Pouilly-Fumé 'Les Angelots'

- **Grape** : 100% Sauvignon Blanc
- **Vineyard surface** : 5 Ha, aged between 18 and 35 years old
- **Soil** : Portlandian limestone
- **Exposition** : South-south east
- **Production** : Between 32 and 36 000 bottles depending on years
- **Work in the vines** :
  - ~ Since 1980 : **abandonment of chemical fertiliser** on all of our vines.
  - ~ Since 2002 : **abandonment of herbicide** on all 21 Hectares of vines.
  - ~ Since 2006 : **abandonment of insecticide** on all 21 Hectares of vines.
  - ~ Mildew control : we use the bare minimum of fungicide, but not only copper, which we think the accumulation in the soils would be harmful for them in the long term.
  - ~ Rainwater collection to fight mildew with demineralised water and thus reduce as much as possible the dose used.

The vines are lightly hoed and regularly **tilled by hand**. Only organic amendments officially agreed for Organic Farming are used at the end of autumn. **Treatments are reduced to bare necessities** in order to protect fauna and soils, which are crucial for an appropriate development of the vegetation.

- **Vinification** : fermentation in stainless steel tanks after cold settling, long conservation on very fine lees, cold tartaric precipitation, no malolactic fermentation, sulphite rate in accordance with biodynamic principles :  $\leq 100\text{mg/l}$ , suitable for vegans.
- **Keeping** : 4 to 5 years, apogee around the 2nd year.
- **Wine-master's advice** : Served chilled at 12°C. It is ideal alone as an aperitif. It is the perfect match with seafood, all fish (raw, cooked, grilled or smoked) but also with poultry or white meat. It is also great with cheese, particularly goat cheese.

***Tasting notes*** : Quoted from The Times, Nov. 2006, "Les Angelots" 2005 among "100 winter wines", Jane MacQuitty :

*"This **splendid, smoky, thrilling** pouilly-fumé, stacked with lots of **gorgeous, ripe, mineraly**, limestone and flint soil-derived fumé, or gun-flint flavours, for which the appellation is renowned, is a delight. Masson-Blondelet is **one of the top ten or so growers** in Pouilly-sur-Loire, and a good pouilly-fumé such as this makes a great winter but with **fishy starters**, including **smoked fish** and even **oysters** for a **real festive treat**".*
