VIGNERONS PAR PASSION DEPUIS 7 GENERATIONS

Pouilly-Fumé 'Les Angelots'

- **Grape** : 100% Sauvignon Blanc
- **Vineyard surface** : 5 Ha, aged between 18 and 35 years old
- **Soil** : Portlandian limestone
- **Exposition** : South-south east
- **Production** : Between 32 and 36 000 bottles depending on years
- **Work in the vines** :
 - ~ Since 1980 : **abandonment of chemical fertiliser** on all of our vines.
 - ~ Since 2002 : **abandonment of herbicide** on all 21 Hectares of vines.
 - ~ Since 2006 : **abandonment of insecticide** on all 21 Hectares of vines.
 - ~ Mildew control : we use the bare minimum of fungicide, but not only copper, which we think the accumulation in the soils would be harmful for them in the long term.
 - ~ Rainwater collection to fight mildew with demineralised water and thus reduce as much as possible the dose used.

The vines are lightly hoed and regularly **tilled by hand**. Only organic amendments officially agreed for Organic Farming are used at the end of autumn. **Treatments are reduced to bare necessities** in order to protect fauna and soils, which are crucial for an appropriate development of the vegetation.

- **Vinification** : fermentation in stainless steel tanks after cold settling, long conservation on very fine lees, cold tartaric precipitation, no malolactic fermentation, sulphite rate in accordance with biodynamic principles : $\leq 100\text{mg/l}$, suitable for vegans.
- **Keeping** : 4 to 5 years, apogee around the 2nd year.
- **Wine-master's advice** : Served chilled at 12°C. It is ideal alone as an aperitif. It is the perfect match with seafood, all fish (raw, cooked, grilled or smoked) but also with poultry or white meat. It is also great with cheese, particularly goat cheese.

Tasting notes : Quoted from The Times, Nov. 2006, "Les Angelots" 2005 among "100 winter wines", Jane MacQuitty :

"This splendid, smoky, thrilling pouilly-fumé, stacked with lots of gorgeous, ripe, mineraly, limestone and flint soil-derived fumé, or gun-flint flavours, for which the appellation is renowned, is a delight. Masson-Blondelet is one of the top ten or so growers in Pouilly-sur-Loire, and a good pouilly-fumé such as this makes a great winter but with fishy starters, including smoked fish and even oysters for a real festive treat".

Pouilly-Fumé 'Les Angelots'

VertdeVin Magazine, n°26, summer 2024 :

2024 Vintage 2023 91/100

"The wine has a pale lemon yellow color. The nose is gourmand, fruity and expresses notes of ripe yellow peach, juicy apricot, crushed green apple, green pear, as well as lemon, grapefruit, passion fruit, gooseberries, a mineral touch of limestone rock and a slightly sweet floral scent (acacia, apple blossom), as well as flower honey. The palate is expressive and savoury, ripe and gourmand. In the attack, we find notes of yellow peach, apricot and passion fruit. In the mid-palate, complemented by flavors of ripe lemon, candied lemon peel, grapefruit, honey and flowers (acacia, apple blossom). The finish is tangy, sapid and mineral. We find notes of gooseberry, limestone, a touch of smoky flint, as well as citrus jam (which adds bitterness, but not a touch of sweetness) on the persistence. A savoury wine, with density and lovely freshness."

Wein Plus :

2020 Vintage 2019 88/100

"Tart, somewhat floral and dried vegetal pome fruit scent with a hint of paprika, quite clear mineral notes and still yeasty nuances. Clear, firm, elegantly fruity juice, light ethereal notes, floral and herbaceous notes, elegant acidity, has a grip, smoky mineral notes, good persistence, fairly creamy, chalky nuances, a hint of red berries, very good, again quite firm finish."

International Wine Challenge 2020 :

2020 Vintage 2019 88/100

"Ripe rounded palate with stone fruit & subtle herbaceous streak."
